

MOLONGLO CATCHMENT GROUP

Waterwatch Calendar 2010, 2011, 2012.

This calendar is based on the third Saturday of each month. In those months where the first Saturday is the 7th, then the third Saturday is the 21st; if the first Saturday is the 6th, then the third is the 20th and there is then a progression back so that in months where the first of the month is a Saturday, then the third Saturday is the 15th. It's a pleasant little mind game, and don't forget the Leap Years!
